# Hunt Staff Benefit Society

These are the 2020 Christmas Cards being sold in aid of the Hunt Staff Benefit Society. The sale of these cards is an important fundraiser for the HSBS, and we do hope that you will buy a selection yourself and encourage your friends to do the same. All of the money raised from the sale of these cards helps to boost the pensions that the Society provides for our hard working Hunt Staff.

Once again Daniel Crane has kindly donated one of his unique images and this year we have another image by Cecil Aldin kindly provided by Lindsey Knapp of the Victoria Gallery.
